**Seller's Power of Attorney to Disclose Mileage and Damage**

Federal and State laws require that the seller state the mileage of a vehicle upon transfer of ownership. Providing a false statement may result in fines and/or imprisonment. I, **Michael M. **Seller's Odometer Disclosure Statement (Must be completed by Seller)**

Enter odometer reading exactly as it appears on the vehicle's odometer (excluding tenths) and check the applicable boxes.

The vehicle described above is equipped with an odometer that (please check one):  
I certify that, to the best of my knowledge, this odometer reading:

I certify that, to the best of my knowledge, this vehicle  has been or  has not been wrecked, destroyed or damaged to such an extent that the total estimate, or actual cost, of parts and labor to rebuild or reconstruct the vehicle to the condition it was in before an accident, and for legal operation on the road or highways, is more than 75% of the retail value of the vehicle at the time of loss. (Checking the "has" box means that the vehicle must have an anti-theft examination before being registered and that the title issued will have the statement "Rebuilt Salvage: NY" on it.)

I understand that knowingly making a false statement on this Secure Power of Attorney is a misdemeanor according to Section 210.45 of the Penal Law and Section 392 of the Vehicle and Traffic Law.
